Momentum Features and Technology

Feels right: in the crowded bolt-action market, no brand has built a rifle from the ground up on ergonomics, fit and feel. Until now.

The Momentum is an extension of the shooter's body, regardless of shooting position. The stock combines sleek lines and crisp checkering to yield an ideal hold in five different positions on and off the bench, while the recessed swivel attachments save the left hand from recoil. The Twin Shock Absorber recoil pad—the same we use for our shotguns—absorbs up to 50% of felt recoil, minimizes muzzle jump and helps you get back on target quickly.

The action features an optimal blend of comfort and crispness with exceptionally smooth bolt operation and a short 60-degree lift. The single-stage trigger adjusts from 2 to 4 lbs. and teams with the free-floating barrel to deliver superb accuracy.

Lastly, Momentum's exceptional style and modern attitude place it in a class of its own. It sports a spirally fluted bolt, exquisitely designed stock with science-based ergonomics, and a bright Franchi logo on the grip cap. In all, the Momentum is a rifle that looks as right as it feels.

EVOLVED ERGONOM-X

The stock of the Momentum is truly revolutionary. It combines raised curves and crisp checkering to offer the most ergonomic feel and positive hold in five frequently used shooting positions. Most uniquely, the raised curves enable your supporting hand not only to grip the stock steadily, but also to exert forward or backward pressure if needed.

EVOLVED ERGONOM-X

Designed from the ground up to provide optimal comfort in any shooting position

RELIA BOLT

Ultra smooth, efficient, and solid operation in the moments that matter most.

RELIA TRIGGER

Adjustable single-stage trigger ensures a crisp and clean break to make every shot count.

MOA GUARANTEE

Accuracy-tested to ensure 1 MOA accuracy with premium factory ammunition.

TSA RECOIL PAD

Reduces up to 50% of felt recoil for quicker follow-up shots and increased comfort.

7 YEAR WARRANTY

Your Franchi is backed by a 7-Year Warranty. A 7-Year Warranty guarantees that if anything should go wrong, under normal use, your firearm will be serviced for you by skilled gunsmiths at our national firearm service center. While your Franchi is under warranty, we will assume the cost of parts, labor and shipping required to get your firearm back to you and working perfectly.

The one-piece bolt is spirally fluted and features three large locking lugs for a rock-solid lockup to enhance accuracy and reliability. The bolt is easily disassembled and has a short, 60-degree throw.

RELIA TRIGGER

The single-stage trigger is especially crisp and adjustable from 2 to 4 lbs.

TSA RECOIL PAD

The proven TSA recoil pad absorbs up to 50% of felt recoil and will not snag on your clothes as you shoulder the rifle. Also, a checkered recess at the rear of the stock will comfortably accommodate your left hand as you shoot from a bench.

MOMENTUM ELITE

Experience the performance and quality of the Franchi Momentum platform in an augmented package for 2021. The advanced ergonomic stock is now available in hunting-centric patterns, each featuring a complimentary Cerakote® finish on the barrel and receiver for premium protection against the elements. The Momentum Elite is available in the EXCAPE™ pattern from Realtree, the Elevated II pattern from OPTIFADE™ and also in the versatile True Timber® Strata camo. Additional added features include a detachable box magazine, a muzzle brake and a one-piece Picatinny top rail, further delivering the premium value you've come to expect from Franchi.

The free-floating, cold-hammer-forged, chromemolybdenum barrel sports weather- and corrosion-resistant Cerakote® coating. It's outfitted with a muzzle brake that reduces felt recoil and muzzle rise.

The one-piece bolt is spirally fluted and features three large locking lugs for a rock-solid lockup to enhance accuracy and reliability. The bolt is easily disassembled and has a short, 60-degree throw.

The Momentum Elite comes with a detachable box-type magazine that holds three cartridges for fast, safe and easy loading and unloading.

FRANCHI MOMENTUM VARMINT ELITE BOLT-ACTION RIFLE ITEM # 41700
OPTIFADE™ Subalpine, Midnight Bronze Cerakote®

MOMENTUM ELITE

Franchi's added a new varmint rifle to its proven Momentum Elite family. It sports a rugged, EVOLVED EGONOM-X synthetic stock engineered specifically for varmint hunting and outfitted with a removable cheek rest, a removable checkered-polymer grip, and versatile OPTIFADE™ Subalpine camo that blends in just about anywhere. A TSA recoil pad reduces felt recoil up to 50 percent. The heavy, spiral-fluted barrel has a weather-resistant, glare-reducing, Midnight Bronze Cerakote® finish, and ends in a 5/8-threaded muzzle

FRANCHI MOMENTUM VARMINT ELITE BOLT-ACTION RIFLE ITEM # 41701 OPTIFADE™ Subalpine, Midnight Bronze Cerakote®

to which a muzzle brake is attached for MOA accuracy. The fluted RELIA BOLT sports three large locking lugs and has a short, 60-degree throw for fast, smooth cycling. The RELIA TRIGGER adjusts from 2-4lbs. Mount your optics on the one-piece Picatinny rail atop the receiver. Two removable magazines are included, one mounts flush with the stock and the other is extended.

SPECIFICATIONS AND PRICES SUBJECT TO CHANGE WITHOUT NOTICE.

STANDARD FEATURES

- FLUTED BOLT: Three large locking lugs, 60-degree bolt throw.
- FINISH: OPTIFADE™ Subalpine/Midnight Bronze Cerakote®.
- FLUTED HEAVY CONTOUR, FREE-FLOATING BARREL
- ADJUSTABLE RELIA TRIGGER: 2 - 4 lbs.
- THREADED BARREL: Accepts muzzle accessories, 5/8 x 24 threads.
- MUZZLE BRAKE
- TSA RECOIL PAD: Absorbs up to 50% of felt recoil.
- REMOVABLE BOX-TYPE MAGAZINE
- INTEGRATED QD SLING/BIPOD MOUNT POINT
- ONE-PIECE PICATINNY RAIL: Quick and easy optics mounting

A medium-size TSA recoil pad is included to give the rifle a 14-inch length of pull, and help reduce felt recoil up to 50 percent. Large and small TSA pads can be ordered separately to the adjust length of pull for a custom fit.

A medium-size, removable cheek pad is included to promote an ideal sight picture. Large and small pads can be ordered separately to fit the rifle to shooters of different sizes.

A removable, checkered-polymer grip is included to promote a sure hold when hunting in inclement weather.

Each rifle comes with two magazines - one fits flush to the stock, the other is extended. The .223 and .224 models' small magazines have a four-round capacity, the .22-250's holds three rounds. The extended magazines for the .223 and .22-250 hold eight rounds, the .224's holds seven.

SPECIFICATIONS: **Capacity:** 4+1 (.300 Win. Mag. 3+1) **Twist:** .308 Win. and .300 Win. Mag. 1:11, RH; 6.5 Creedmoor 1:8, RH; .350 Legend 1:16, RH; **BBL:** Free-floating, Threaded **Length of Pull:** 14"

The one-piece bolt is spirally fluted and features three large locking lugs for a rock-solid lockup to enhance accuracy and reliability. The bolt is easily disassembled and has a short, 60-degree throw.

The cold-hammer-forged, chrome-molybdenum, matte-finish barrel is entirely free-floating for maximum accuracy. The end is threaded under a knurled cover, making it easy to attach a variety of muzzle accessories (5/8 x 24 thread).

The proven TSA recoil pad absorbs 50% of felt recoil and will not snag on your clothes as you shoulder the rifle. Also, a checkered recess at the rear of the stock will comfortably accommodate your left hand as you shoot from a bench.

How many times has a conventional swivel-stud hit your left hand during recoil? "Feels right" also means getting rid of this annoying problem—in this case by designing the stock so that the swivel attachments do not protrude.

The Momentum sports a hinged-floorplate magazine with the release located in the trigger guard. The catch must be fully depressed to release the floorplate, which minimizes the chance of doing so accidentally. (shown with optional scope base)

With the two-position safety on, you can still operate the bolt, letting you safely chamber a round or remove it from the chamber at the end of your hunt. The single-stage trigger is especially crisp and adjustable from 2 to 4 lbs. (shown with optional scope base)

Affinity 3 & 3.5 Features

Function Meets Italian-Crafted Form

The proven design of the inertia-driven Franchi Affinity just got better. Available in 3" or 3.5" magnum configurations, these Italian-crafted, semi-automatic shotguns have been upgraded with oversized bolt releases and charging handles, plus an improved easy-to-use loading ports. Additional features include drilled and tapped receivers, stepped vent ribs, fiber-optic front sights, Mobil choke systems and a variety of finish options...all backed by the Franchi 7-year warranty.

EASY OPERATION

Over-sized controls

An oversized bolt release and charging handle make for easy operation of the action, even with gloved hands.

EASY SCOPE MOUNTING

Drilled & tapped

The Affinity 3 and 3.5 receivers are drilled and tapped to facilitate quick and easy mounting of optics and accessories.

EASY LOADING

Enlarged loading port

The enlarged loading port makes loading additional shells quick and easy, a must in weather that requires gloves.

CHROME-LINED BARREL

Uses screw-in Mobil chokes

The chrome-lined, vent rib barrel is fitted with a fiber-optic front sight and uses readily available Mobil chokes.

7 YEAR WARRANTY

Your Franchi is backed by a 7-Year Warranty. A 7-Year Warranty guarantees that if anything should go wrong, under normal use, your

your firearm will be serviced for you by skilled gunsmiths at our national firearm service center. While your Franchi is under warranty, we will assume the cost of parts, labor and shipping required to get your firearm back to you and working perfectly.

DRIVEN

Clean, reliable, and light-weight operation provides for ideal performance and easy maintenance.

PRECISION CONE
PATTERNING

Proprietary forcing cones provide for less felt recoil and quicker follow-up shots.

OMNI STOCK
ADJUSTABLE FIT

Stock drop and cast adjustability for a truly optimized shooting experience.

TSA
RECOIL PAD

Reduces up to 50% of felt recoil for quicker follow-up shots and increased comfort.

INERTIA
DRIVEN

The **Inertia Driven®** system, employed in the Franchi Affinity 3 and 3.5, affords these shotguns a lighter, slimmer profile for better handling. With no heavy gas cylinder under the forend, Franchi Inertia Driven® shotguns balance and swing like a fine game gun should.

PROVEN RELIABILITY — The Inertia Driven® system never needs adjusting and will cycle anything from field loads to 3½" magnums with consistent reliability year after year, after year.

SIMPLICITY — Inertia Driven® is simple with only three primary parts: the bolt body, the inertia spring and the rotating bolt head.

FASTER — With a greatly reduced mass of parts, Inertia Driven® shotguns shoot faster.

CLEANER — Gas, smoke and burnt powder stay in the barrel where they belong, rather than being channeled into the gun's mechanism, as they are in gas-operated systems.

STRONG — The strong steel locking lugs on the Inertia Driven® system's rotating bolt head not only lock steel-to-steel into the gun's barrel; the lugs lock in even tighter during firing.

LOW MAINTENANCE — The Inertia Driven® system is much cleaner, so gun cleaning takes a fraction of the time that it takes to clean a gas-system gun.

Affinity Waterfowl Elite

Elite Performance, Rugged Reliability

AFFINITY
ELITE

Experience the performance, quality, features and value that set our Affinity Elite shotguns above all others in their class. Enjoy the fit and feel offered by their sleek profiles, slim forends and integrated ergonomics to produce superior pointability. The barrels have weather-resistant Cerakote finish, Precision Cone Patterning for improved shot patterns, and upgraded fiber-optic sights to get you on target fast in most lighting conditions. Stocks are adjustable for drop and cast to ensure a great fit. TSA recoil pads dramatically reduce felt recoil, even when using magnum loads. Wide loading ports, along with large bolt releases and oversized bolt handles will be appreciated by hunters wearing gloves in cold or inclement weather. Take your shooting to the next level. Join the Elite.

Affinity Upland Elite

Light, Quick, Reliable and Elegant

AFFINITY
ELITE

Upland hunters cover a lot of ground in pursuit of quick-flushing, fast-flying game, making light weight and consistent performance essential qualities in a fine upland shotgun. Franchi engineers developed the Affinity Upland Elite Series shotguns with this in mind and went the extra mile to add even more features to create a superior, hunter-friendly shotgun. Fiber-optic sights rapidly get you on target in variable light situations. Wide loading ports team with large bolt releases and oversized handles for easy operation when wearing gloves. TSA recoil pads dramatically reduce felt recoil. Stocks are adjustable for drop and cast, ensuring optimal fit and feel. All this in a handsome, balanced and ergonomic shotgun made especially for upland hunters.

Affinity 3 Turkey Elite

Serious Gun, Serious Pursuit

NEW!

We took our popular Affinity shotgun, listened to feedback from avid turkey hunters, and optimized the platform into an ergonomic turkey-slaying machine. We added a Steadygrip stock and 24" barrel with a hooded front sight for hunting in heavy cover, and combined OPTIFADE™ Subalpine camo with a Midnight Bronze Cerakote finish on the receiver and barrel to provide superior concealment in the woods. We used Precision Cone Patterning to lengthen the forcing cone, and added Rhino extended turkey choke tubes to ensure consistent, tight and lethal shot patterns. A Picatinny rail atop the receiver can be used to mount optics. Step into the ranks of the turkey-hunting elite with this firearm. To do so feels right.

TSA
RECOIL PAD

Power should be an asset, never a liability: the Affinity 3.5 feels and handles like a smaller-gauge shotgun while offering the full capabilities of today's 3½" shells. Together, our Inertia Driven® system and TSA pad—which absorbs up to 50% of the recoil—translate into a pleasant shooting experience no matter the conditions. Handling is also optimized, thanks to the slim forend profile made possible by the recoil spring being efficiently housed around the magazine tube. The stock is also trim and includes an internal balance weight that can be removed to customize weight-distribution.

The Affinity 3.5 is available in three finishes and comes with a 28-inch barrel that sports a stepped, ventilated rib with a red fiber-optic front sight. Three choke tubes are supplied with the Affinity 3.5, including IC, M, and F (choke wrench included). Shouldering and aiming the Affinity 3.5 is like pointing your finger—you will instantly know what "right" feels like.

The Affinity 3.5's trigger group is easily removed for cleaning and maintenance by punching out a single pin.

The Affinity 3.5's proven Inertia-Driven® system, features a bolt assembly with a rotating bolt head that ensures a positive steel-to-steel lock-up.

When and where to hunt, what gear to bring and what ammo to use. These are among many choices hunters make before the season begins. But one thing we don't get to choose is the weather. That's why Franchi made these new versions of its proven Affinity 3.5 shotgun to withstand moisture, rain, snow and ice using tough, weather-resistant Cerakote® finishes. These shotguns have best-in-class features to make your hunt both memorable and enjoyable, no matter what the weather is doing. Purposefully engineered ergonomics and adjustable, custom-fit stocks team to deliver superior pointability, while TSA recoil pads reduce felt recoil up to 50 percent - even with heavy magnum loads. Oversized bolt controls and beveled loading ports make operation and loading easier when wearing gloves. Shoulder an Affinity 3.5, and you'll immediately see why serious hunters choose Franchi shotguns - they just feel right.

A TSA recoil pad works with the Affinity 3.5's ergonomic stock to cut recoil by up to 50 percent. A medium pad is included. Large and small pads can be ordered separately to adjust length of pull.

AFFINITY 3 – 12-GA, 3"
ITEM # 41045 Mossy Oak® Bottomland™

The Affinity 3 semi-automatic shotgun is the ideal coming together of Italian craftsmanship and American passion. Even as you first shoulder it, you'll be surprised by its lean dimensions, functional design and ideal weight and balance. The trim forend helps keep your hand close to the bore axis, meaning quicker and more intuitive pointing. The custom-grade controls—bolt handle, bolt release and loading port—are oversized for efficient use, even with gloved hands. The TSA recoil pad makes the Affinity 3 easy on the shoulder in the field or on the clay range.

A drilled-and-tapped receiver is standard on the Affinity 3, which makes for an easy transition to scoped hunting for deer or turkey.

The Affinity 3's trigger group is easily removed for maintenance and cleaning by punching out a single pin.

Affinity 3.5 and 3 Turkey

Packed with Gobbler-Getting Features

NEW!

Franchi Affinity shotguns are used by discerning hunters around the world, and these are packed with features avid turkey hunters want. A Steadygrip pistol-grip stock works with a 24" barrel to enhance handling in heavy cover. A hood over the front sight protects its fiber-optic insert. Oversized bolt handle and bolt release button aid operation while wearing gloves. Receiver is drilled and tapped to accept optics mounting. Enlarged loading port for fast reloads. Modular trigger assembly is easily removed for cleaning. Two sling attachment points accept your sling to free up hands for carrying decoys and other gear. Extended choke tubes included for easy changing as conditions dictate.

RECOIL PAD

Meet the Affinity 3 Sporting—A great-looking, clays-smashing semi-automatic loaded with features typically found on shotguns costing far more. The receiver sports a white anodized finish that pleasantly highlights the chrome-accented bolt and trigger, as well as the oiled-walnut stock and forend. Barrel porting teams with the TSA recoil pad and our exclusive Inertia Driven® technology to make the Affinity 3 Sporting comfortable to shoot during back-to-back matches. Adjustable for drop and cast, the ergonomic design is optimized for the fit and performance needed during extended use. Three extended choke tubes and a choke wrench are included.

- OMNI STOCK ADJUSTABLE FIT
- TSA RECOIL PAD

Take the popular Affinity 3, optimize it for women's physical structure and you get the Affinity Catalyst. No, it is not a renamed youth model, as is true with other brands; it is the result of a scientific study aimed to deliver professional-level performance for women. The heart of the concept is the stock—drop, cast, pitch and length of pull. As women's cheek-bones sit higher than men's, the comb is raised to achieve eye-alignment with no need to lift the head. Also, the special cast makes it easy to shoulder. In all, the Affinity Catalyst will give women the feel and function that serious shooters expect of their firearms.

The Affinity 3 Catalyst features a 3-inch chamber, that handles everything from 2¾-inch, 1½ ounce target loads to the heavy 3-inch magnum loads for waterfowl and turkey. The conveniently located safety, at the rear of the trigger guard, makes for easier, more intuitive operation.

The A-Grade satin walnut stock of the Affinity 3 Catalyst has been specifically designed to better accommodate a woman's build. The drop, cast, pitch, and length of pull have all been tailored to women shooters.

Instinct SLX

An Elegant Performer

Franchi engineers successfully blended the superior shooting performance and reduced weight of the SL shotgun with deluxe aesthetics to create an over/under shotgun as splendid to look at as it is to shoot. Traditional floral engraving on the receiver is complemented by a gold-plated trigger and inlays. AA-Grade walnut with handsome checkering is beautiful yet functional, offering sure grasp in any weather on the Prince of Wales grip and Schnabel forend. Superior ergonomics afford comfortable shooting, excellent balance and instinctive pointability. The Instinct SLX also features automatic ejectors, a barrel-select switch and a tang-mounted safety that automatically engages at the break. The shotgun comes with five extended choke tubes and a sturdy hard case. Step into the realm of shooting excellence. Order the Franchi SLX over/under shotgun today.

The SLX comes with five extended Mobil choke tubes including C, IC, M, IM, F. A choke wrench is also included.

The Franchi SLX sports intricate engraving with gold inlay on the polished receiver and trigger guard. A gold-plated trigger and rich AA-Grade walnut stock add to the firearm's elegant good looks.

Franchi SLX shotguns are equipped with automatic ejectors to quickly clear spent hulls and facilitate fast reloading. The tang-mounted safety automatically resets to the on position when the action is opened.

ITEM # 41175 AA-Grade satin walnut, Color case-hardened receiver, engraved game scenes with gold bird inlays, blue barrels

What shotgun shooter doesn't instinctively desire to one day own a fine over/under? Engineers and artisans at Franchi present the Instinct LX, the shotgun you've yearned for, at a price representing outstanding value. From the handsomely checkered AA-Grade walnut stock and Schnabel forend, to the engraved receiver with gold-inlaid highlights, this firearm is a masterpiece. The Instinct LX is infused with performance features, including best-in-class ergonomics, to deliver an exceptional shooting experience. Vented gloss-blue barrels with extended choke tubes offer optimal patterning. A red fiber-optic bead atop the vented rib gets you on target fast. The safety-mounted selector switch lets you choose which barrel fires first, while ejectors throw spent hulls clear. This fine firearm comes with three extended chokes, a choke wrench and a fitted hard case, along with the satisfaction of heeding the call of your Instinct.

ITEM # 40825 A-Grade satin walnut
Aluminum alloy receiver, polished blue barrels

Franchi's Instinct SL over/under is a modern classic that combines the best of Italian tradition and craftsmanship with the latest innovative technology for the right look—the right feel. Available in 12-, 16-, 20- and 28- gauges and .410-bore, the Instinct SL features an attractive polished aluminum alloy receiver and is available with either 26- or 28-inch barrels fitted with a red fiber-optic front sight for quick and positive target acquisition.

The Instinct SL stock, cut from fine A-grade walnut in the classic Prince of Wales style, features cut-checkering and sports a lustrous oil-finish. The lightweight alloy receiver houses a distinctive trigger and trigger guard displaying a gold-inlaid Franchi logo.

The Instinct SL receiver features a unique scalloped design and is fitted with automatic ejectors. The shotgun employs a locking bolt that emerges from the bottom of the standing breech to engage a recess machined into the barrel monobloc.

Instinct L

Perfectly Balanced

INSTINCT L – 12-GA, 3"
ITEM # 40800 A-Grade satin walnut
Color case-hardened receiver, blue barrels

INSTINCT L – 20-GA, 3"
ITEM # 40810 A-Grade satin walnut
Color case-hardened receiver, blue barrels

The Instinct L receiver is all-steel construction and is fitted with automatic ejectors. The light weight of the Instinct L models allow for a smooth, balanced swing on fast-moving targets or birds.

The Instinct L receiver is color case-hardened for strength and an attractive look. The trigger guard displays a gold-inlaid Franchi logo.

STANDARD FEATURES

- AUTO EJECTORS
- BARREL SELECTOR
- AUTO SAFETY
- CHOKE TUBES: IC, M, F and wrench.
- FINISHES: A-Grade satin walnut. Color case-hardened receiver.
- HARD CASE: Custom-fitted hard case to protect during transport.

- EXTENDED CHOKE TUBES: C, IC, M, IM, F, XFT, Timber, Decoy, Pass.
- PORTED CHOKE TUBES: Close-, Mid-, Long-range.

The Instinct L features an all-steel, extra-strong color case-hardened receiver with the name “Instinct L” engraved in gold on the right side. The distinctive receiver includes a tang-mounted automatic safety with a barrel selector. An attractive gold-plated trigger completes the Instinct L’s stylish look. The Prince of Wales-style stock is cut from A-Grade satin walnut and features cut checkering on the slim forend and pistol grip. A traditional satin oil-finish complements the wood’s beautiful grain and protects the stock from the elements.

Instinct SL Catalyst

Lightweight Performance for Women

NEW!

INSTINCT SL CATALYST – 20-GA, 3"
ITEM # 40829 A-Grade satin walnut
Aluminum alloy receiver, gloss-blue barrels

A brushed-aluminum receiver makes this the lightest adult shotgun in the Franchi offering, making it perfect for fighting fatigue on all-day hunts. Every element of the stock and grip, along with the trigger pull, has been optimized to fit female shooters. A red, fiber-optic front sight helps line up targets fast, and a barrel selector switch lets you choose which barrel fires first. Auto ejectors throw spent shells clear and the safety automatically engages when the action is opened. A classic, A-Grade satin walnut finish adds to the beauty of this fine firearm. Extended choke tubes included for fast, easy changing.

INSTINCT SL CATALYST

20-GAUGE 2¾" AND 3"					
40829	26"	A-Grade satin walnut	43.75"	5.4 lbs.	\$1,699

COMMON SPECIFICATIONS: **Extended Chokes:** IC, M, F **Type of Sights:** Red fiber-optic front bar **Length of Pull:** 13⅞" **Drop at Heel:** 1½" **Drop at Comb:** 1¼"

STANDARD FEATURES

AUTO EJECTORS AUTO SAFETY
BARREL SELECTOR

EXTENDED CHOKE TUBES: IC, M, F and wrench.
FINISHES: A-Grade satin walnut. Brushed aluminum-alloy receiver.
¼" RECOIL PAD SPACER : For adjustment of length of pull.

OPTIONAL FEATURES

FLUSH CHOKE TUBES: C, IC, M, IM, F.
EXTENDED CHOKE TUBES: C, IM, XFT, Pass, Decoy.
PORTED CHOKE TUBES: Close-, Mid-, Long-range.

A gold-inlaid Franchi logo adorns the Instinct SL Catalyst's trigger guard. The aluminum receiver significantly reduces the firearm's weight.

All aspects of the ergonomic A-Grade satin walnut stock have been tuned to fit female shooters and team with the recoil pad to create a pleasant shooting experience.

Instinct L Catalyst

A Classic Over/Under Designed Just for Her

INSTINCT L CATALYST – 20-GA, 3"
ITEM # 40809 A-Grade satin walnut
Color case-hardened receiver, gloss-blue barrels

The Italian tradition and craftsmanship of the Franchi Instinct series, fully re-imagined in an innovative and affordable, over/under built specifically for women. Like its sister, the Affinity Catalyst, our Instinct L Catalyst's stock has been redesigned with a drop, cast, pitch, LOP and grip length that better aligns with a women's body. Red, fiber-optic front sights put eyes on target quickly and confidently, with a classic, A-Grade satin walnut finish that just looks right, as well. Much more than just a shorter stock dressed in pink, this is a shotgun that immediately feels right in the hands and on the shoulder of today's women shooters.

The trigger guard of the Instinct Catalyst displays a gold-inlaid Franchi logo. The receiver is color case-hardened for strength and an attractive look.

The drop, cast, pitch, length of pull and grip length of the Instinct Catalyst's A-Grade satin walnut stock have all been optimized to fit women shooters.

Instinct Sporting II
Clay-Busting Perfection

The slim ergonomic forend sports a flared Schnabel shape.

Franchi's Instinct Sporting II over/under shotgun was inspired by the specific needs of clay-target shooters. The 30-inch barrels are ported to mitigate recoil and muzzle rise. Included knurled and extended choke tubes are easily identified and changed. A barrel-selector switch is integrated into the tang-mounted safety so you can choose which barrel shoots first. The fiber-optic front sight helps you line up targets quickly. Extractors lift spent hulls from the barrels for easy manual removal on the range. All this in a handsome firearm sporting an A-Grade checkered-walnut grip, stock and Schnabel-style forend, a contrasting all-steel receiver, and a gold-plated trigger. Enjoy an optimal blend of aesthetics and performance with the Instinct Sporting shotgun from Franchi. Available in 12- or 20-gauge.

INSTINCT SPORTING II – 12-GA, 3"
ITEM # 41140 A-Grade satin walnut,
steel receiver, gloss-blue ported barrels

The Instinct Sporting II features 30-inch ported barrels with a wide, vented rib and an easy-to-see fiber-optic front sight for fast target alignment. Knurled extended choke tubes are easily identified and changed quickly with minimal effort.

INSTINCT SPORTING II – 20-GA, 3"
ITEM # 41145 A-Grade satin walnut,
steel receiver, gloss-blue ported barrels

The Instinct Sporting II model features a pistol grip with a right-hand palm swell and cut checkering to promote a positive hold and optimal control. The tang-mounted thumb safety has a barrel-select switch so you can choose which of the barrels fires first.

Proper fit is essential to success in shotgun sports and the Instinct Sporting II is equipped with an adjustable comb to accomplish just that. Raise or lower the comb as needed to attain a consistent cheek weld and sight picture again and again.
